Who Are We?

Swings and Smiles is a charity dedicated to providing fun, inclusive, and accessible play opportunities for disabled children and young people. We offer a welcoming space where families can relax, feel understood, and enjoy time together without barriers.

Our Mission?

Our mission is to improve the quality of life for children with disabilities and their families through accessible play, emotional support, and positive shared experiences.

We believe every child deserves the chance to laugh, explore, and thrive.

Every contribution helps us to:

- Provide safe and engaging play sessions for children with a wide range of needs
- Offer emotional support to parents, siblings, and carers
- Maintain specialist equipment, sensory rooms, and adapted toys
- Run youth clubs, respite opportunities, and family days out
- Create positive memories for families who need joy now more than ever

Here's what parents and users of our services has to say about us:

“ Swings & Smiles gives my son a chance to relax, have fun and to be seen for the amazing boy that he is, separate to his sister.
Helen, Mum

“ It is so heart-warming to be surrounded by people who truly understand how hard life can be raising SEND children.
Jenni, Mum.

“ Swings & Smiles is an amazing place. It gives families a sense of belonging. We feel understood and know we are not judged by the staff or other families here. Our kids have somewhere to go together where they can still have their own space and do their own thing, but they are safe and we can spend time together, having fun and trying new activities.
Luke, Dad

Whether you have donated, entered the sweepstake, or helped others get involved, you have helped us continue the work that matters giving children the chance to smile, play, and be themselves. Thanks again, and enjoy the World Cup!
